

BARKLEY REGIONAL AIRPORT

Updates

One hundred forty-one signatures cover the poster commemorating the inaugural day United Express service on February 11.

The poster will remain on the terminal wall near the United ticket counter for visitors to remember the event and who attended it.

Passenger numbers are climbing. Over the past month load factors have increased by 31.6%.

Brandi Honey

Keynote speaker for the April 1 Power in Partnership breakfast for the Paducah Area Chamber of Commerce will be Brandi Honey, Marketing Manager for SkyWest Airlines. She will share SkyWest's history and plans for the future as they pertain to Paducah.

Security Update

TSA continues to improve security and safeguard Paducah's air transportation.

Within the next two months new Electronic Baggage Screening Equipment will be installed in the Paducah Airport. This will benefit each air traveler by expediting the screening of your checked baggage as you fly out of the Barkley Regional Airport in Paducah.

Marketing Update

New 30-second video ads started on March 1. Have you seen them? Let us know what you think.
